## EU-Directive 2002/95/EC (RoHS)

Dear sir or madam,

This letter confirms that Knürr Technical Furniture GmbH will fulfil the requirements of the EU Directive 2002/95/EC.

The restriction of hazardous substances directive requires the producer to ensure that the following substances are not contained in Electrical and Electronic Equipment. In accordance to product maximum concentration values (MCV).

- Lead (MCV 0.1%).
- Mercury (MCV 0.1%).
- Cadmium (MCV 0.01%).
- Chrome VI (MCV 0.1%).
- Polybrominated Biphenyl (PBB) (MCV 0.1%).
- Polybrominated Diphenyl ether (PBDE) (MCV 0.1%).

Our fulfilment plan has entailed:

- The identification of effected products as per the RoHS Directive requirements.
- Involvement of all partners within the supply chain.
- The proposal of alternative products.

All products that Knürr produces and supplies which fall under the requirements of the EU Directive 2002/95/EC (RoHS) will be RoHS conform by 01 April 2006. With the exception of Customer supplied product.

Kind Regards.

Herbert Weiss
